For a limited time earn cash incentives for replacing old T-12 fluorescent linear tube lighting with more energy efficient lighting. Offer available through Ameren Missouri’s ActOnEnergy® BizSavers® program starting October 15, 2014 through April 15, 2015.

All projects require pre-approval before equipment purchase. Projects must be complete and final paperwork must be submitted by April 15, 2015 to be eligible for the incentive. Paperwork submitted after April 15, 2015 will be subject to the previous program requirements.

Certain restrictions may apply. Click here to learn which lighting projects qualify for a T-12 retrofit incentive.

What type of lighting do you have?

- T-12 = 1.5” diameter tube
- T-8 = 1” diameter tube
- T-5 = 5/8” diameter tube

Actual sizes of fluorescent linear tube lighting

How to Get Started

- Visit AmerenMissouri.com/BizSavers and click “Find a Contractor” to find lighting contractors in your area
- Work with a contactor to decide which energy efficiency project is right for you
- Contact the Program (contact information below) for pre-approval before you purchase equipment
